CITY OF NOME ENTRY DECLARATION

MANDATORY 14-DAY QUARANTINE FOR ALL INCOMING PASSENGERS

Due to the rapid spread of COVID-19 and the high incidence of travel-related infection, the City of Nome has instituted a mandatory 14-day quarantine for all incoming passengers. The potential for widespread transmission of COVID-19 by infected individuals entering Nome threatens the health and well-being of citizens of Nome, as well as the infrastructure and security of the state. In an abundance of caution and to assist in flattening the curve regarding the spread of COVID-19 in Alaska, the City on Nome, under its authority to protect the public health, is implementing advanced protocols to ensure all travelers arriving in Alaska participate in 14 consecutive days of self-quarantine to begin immediately upon arrival, allowing for travel from an airport or portage to the designated quarantine location.

Travelers 18 years of age and over must complete and sign their own form.

PLEASE LIST THE SPECIFIC PLACES TRAVELED WITHIN THE PREVIOUS 14 DAYS.

ESSENTIAL AIR TRAVEL SERVICES USE PERMIT

3. As of 12:01 a.m. Thursday March 26, 2020, all property and structures within the Essential Air Travel District may only be used for purposes of providing Essential Air Travel Services and accessory uses for Essential Air Travel Services (“Permitted Uses”). All other uses within the Essential Air Travel District are prohibited.

4. As of 12:01 a.m. Thursday March 26, 2020, only persons who require Essential Air Travel Services may embark and disembark aircraft within the Essential Air Travel District including at the Nome Airport or City Field and enter or leave the Nome Airport Terminal.

5. Only persons involved in providing Essential Air Travel Services may enter and use property within the Essential Air Travel District.

6. For purposes of this order Essential Air Travel Services and persons involved in providing Essential Air Travel Services means travel to or from Nome or entry to or from the Essential Air Travel District by or for:

   • Persons who have applied for and been issued an Essential Air Travel Services Use Permit by the City Manager.
   • Persons providing transportation to the Essential Air Service District for a Permitted Use.

7. Essential Air Travel Services Use Permits (“Permit”) may be issued at the discretion of the City Manager provided the applicant provides sufficient information to lead the City Manager to reasonably conclude there is a need to use property within the Essential Air Travel Services District which is sufficiently similar to a Permitted Use as defined in Paragraph 6 of this Order to constitute Essential Air Travel Services.

8. Applications for an Essential Air Travel Services use permit shall be submitted to the city clerk using an application form prepared by the City. **A decision shall be made within 24 hours after the application is submitted.**

9. Any denial of the travel permit shall be in writing and state the reasons therefore. Denials of a permit by the city manager may be appealed to the Mayor by submitting a written notice of appeal. The Mayor’s decision on appeal shall be the final city action on the application.
Functioning critical infrastructure is imperative during the response to the COVID-19 emergency for both public health and safety as well as community well-being. Certain critical infrastructure industries have a special responsibility in these times to continue operations. At this time, critical industries and entities in Alaska include:

a. “Healthcare Operations” including hospitals, clinics, dental emergency services, pharmacies, other healthcare facilities, home healthcare services providers, mental health providers, companies and institutions involved in the research and development, manufacture, distribution, warehousing, and supplying of pharmaceuticals, biotechnology therapies, consumer health products, medical devices, diagnostics, equipment, services, or any related and/or ancillary healthcare services. “Healthcare Operations” also includes veterinary care and healthcare services provided to animals. “Healthcare Operations” does not include fitness and exercise gyms and similar facilities.

b. Businesses providing any services or performing any work necessary to the operations and maintenance of “Essential Infrastructure,” including, but not limited to, the Port of Alaska, public works construction, construction of housing, airport operations, water, sewer, gas, electrical, oil production, mining, logging, roads and highways, public transportation, solid waste collection and removal, internet, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services).

c. Financial services sector, which includes workers who are needed to process and maintain systems for processing financial transactions and services, such as payment, clearing and settlement services, wholesale funding, insurance services, and capital markets activities; to provide consumer access to banking and lending services, including ATMs, movement of currency (e.g. armored cash carriers); support financial operations, such as those staffing data and security operations centers; appraisals and titling; and, key third-party providers who deliver core services.

d. First responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel are critical.

e. Individuals providing “Essential Governmental Functions” are critical. “Essential Government Functions” means all services needed to ensure the continuing operation of government agencies and provide for the health, safety, and welfare of the public.
f. Grocery stores, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of food and other household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;

g. Food and agriculture, company cafeterias, cultivation, including farming, livestock, and fishing;

h. Businesses that provide food, shelter, social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;

i. Newspapers, television, radio, and other media services;

j. Gas stations and auto-supply, auto-repair, bicycle-repair, and related facilities;

k. Hardware stores;

l. Plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, Essential Activities, and Essential Businesses;

m. Businesses providing mailing and shipping services, including post office boxes;

n. Educational institutions facilitating distance learning;

o. Laundromats, dry cleaners, and laundry service providers;

p. Restaurants and other facilities that prepare and serve food, but only for delivery or carry out under the restrictions set forth in COVID-19 Health Mandate 003, issued March 17, 2020;

q. Businesses that supply products needed for people to work from home;

r. Businesses that supply other essential businesses with the support or supplies necessary to operate;

s. Businesses that transport goods to grocery stores, supermarkets, convenience stores, engaged in the retail sale of food, household consumer products, delivery of fuel, or other services directly to residences or other critical industries outlined in this health mandate.

t. Airlines, railroads, taxis, and other private transportation providers providing transportation services;
u. Home-based care for seniors, adults, or children;

v. Residential facilities and shelters for seniors, adults, and children;

w. Professional services, such as legal or accounting services, when necessary to assist in compliance with legally-mandated activities;

x. Childcare facilities, subject to new recommendations for increased hygiene and social distancing. Childcare facilities should be used only by those who need childcare to work at a critical job.
