Adoption Agreement

If the animal is not spayed/neutered at the time of adoption, I agree that I will have the animal spayed/neutered through a qualified veterinarian at the approximate age of eight to twelve months.

I agree to have all necessary shots (parvo, rabies, distemper, etc) given to the adopted animal.

I agree that the adopted animal will NOT be allowed to run loose out doors and if tied outside, it will be provided with housing to protect it from the elements and will be given at least a six foot chain/cable.

I agree to care for the animal(s) in a humane manner and be a responsible animal owner. This includes supplying adequate food, water, shelter, and attention.

I agree that if at any point I come to not being able to keep the animal, I will find it a good and responsible home.

I understand and agree that the Nome Animal Shelter makes no guarantees about the animal’s temperament and is NOT responsible for future damages or injuries caused by the adopted animal.
