Each team is responsible for supplying a player from their team to officiate at least one game per week. It is very important to show up when you are scheduled. Failure to show for an assigned game will result in a $50 team fine payable before their next game.

****Schedules will be available on Friday, January 6th at 4PM****

Make all checks payable to: Nome Recreation Center
As team captain it is your duty to inform your players about some important changes to the rules and player eligibility. They are as follows:

1. Players that are assessed a technical foul will be immediately removed from the game. Prior to re-entry they must go to the front desk and pay a $25 fine. Upon paying their fine a receipt will be issued. The issued receipt must be presented to the scorer’s table prior to re-entry into the game.

2. The assessment of two technical fouls in one game will result in being ejected from the game and will incur an additional $25 fine (for a total of $50 and result in a 2-game suspension).

3. The accruement of three technical fouls (for any reason) in any half will render the offender ineligible to participate in the remainder of the half. Should the offense occur in the second half the player will only be eligible for the post-season tournament if (and only if) the last technical was a single one. If two technical fouls occurred the player must sit out the first 2 games of the post season tournament.

4. Weekly e-mails will be sent out to team captains with all players eligibility included. Should a team use an ineligible player in a game they will forfeit the game and incur a $30 fine. The fine must be paid prior to playing in the next game.

5. Be aware that without officials we have no city league. Please treat them with respect and remember they are making sacrifices to make this league happen.

I have read the above changes and will make sure the players on my team are aware of the new changes.
