Nome City Bowling League Golden Strike Bowling Alley

1. League bowling will occur Wednesday nights from 6:00pm - 10:00pm.
2. The league will last for 5 weeks, running Wednesdays: October 15th – November 19th.
3. The minimum amount of teams is 6 and the maximum is 12.
 - a. If we do not have 6 teams by the end of registration on October 9th the League will be cancelled.
4. Fees:
 - a. **All fees must be paid in full by the end of the first night of league play.**
5. Teams must consist of at least 4 players. This is a mixed league. Players must be 18 years of age as of the first night of league play.
6. Each bowler will use the first 3 games to establish an average. Those averages will then determine the personal handicap for league play.
 - a. **MALE:** *A player's handicap will be the basis score (220) minus the player's average multiplied by the percentage factor (80%). {Ex: 220-170=50x.80=40HDCP}*
 - b. **FEMALE:** *A player's handicap will be the basis score (220) minus the player's average multiplied by the percentage factor (85%). {Ex: 220-170=50x.85=42HDCP}*
7. At least 2 members must be present and bowl each night to avoid a forfeit.
8. No late bowlers may join a game after the end of the 1st frame in any game.
9. The names on the roster are the only bowlers allowed for the team.
 - a. When an absence occurs, the absentee score will be the absent bowler's average minus 15 pins with a handicap based on the actual average.
10. All score sheets must be turned in at the end of the night.
11. This league does not compete for cash.
12. Masks must be worn in the bowling alley at all times, excluding when a person is briefly eating or drinking.
13. Bowling balls may not be shared and must be sanitized after final use.
14. League Bowling will be scored based on a 4-point system every night: 3 games and total pinfall.
15. In the case of a tie for first place at the end of the league, the higher total pinfall will determine the winner.
16. Bowling Etiquette:
 - a. Be ready to bowl when the pins are set up, but wait for the machine to complete the cycle.
 - b. Observe one-lane courtesy. If both bowlers approach the lane, the go-ahead is given to the bowler on the right. Stay off the approach while waiting.
 - c. Taking too long to aim or get ready delays the game.
 - d. Try to remain in your approach area while taking your turn.
 - e. Step off the approach after delivering your ball.
 - f. Good bowling requires concentration. Have fun, but excessive noise or movement could distract another bowler. Be respectful of others bowling.
 - g. Excessive "lofting" hurts your game and the bowling lane.
 - h. Ask permission to use another player's bowling ball.
 - i. Refrain from using profane language or gestures.
 - j. Play to win, but use good sportsmanship when winning and losing.
 - k. Wet shoes are a safety concern. Please keep street shoes off the lanes and approach.
